10/9/69

Dear Harold: Many thanks for your letters of 10/3/69 and the lists of declassified, classified, and missing CDs, which I am returning herewith in case you need an extra set. I copied these lists on the typewriter, in order to get everything on two pages, which makes it much easier to use, and I am also enclosing herewith for you and anyone else who can use them four copies of the two-page typewritten lists. Nothing is new, forgive me for this hasty note but my UN work is piling up. Again, grateful thanks for sharing the lists with me,

Best,

Sylvia
